

A 3D rendering of a children's playroom layout. The room features a large wooden floor with various play structures: a blue and white modular sofa, a green desk with a chair, a small table with colorful stars, a large blue rug with a fish and colorful dots, a wooden boat, a wooden structure with a slide and climbing elements, and a large wooden structure with a ramp and a small house-like roof. There are also several black circular objects hanging from the ceiling and a small white table.

	558003	Water column 20 x 180 cm	This device allows you to control the colour and saturation of the air bubbles via remote control. Choice of 7 glow colours, colour stop. Distilled water should be poured into the columns. It is possible to connect via Bluetooth and to connect a music playing device. Microphone and remote control included. On/off switch on the base. For cleaning, water at up to 25 degrees with soap is recommended. Sponges, rough cloths, scrapers, brushes and the like should be avoided. A fine microfibre cloth works very well, which, combined with lukewarm water and soap, will enable dirt to be removed safely without damaging the surface. Do not expose the device (plexiglass) to high temperatures or chemicals. The use of solvents, alcohols, acids and disinfectants is NOT permitted. These agents may cause deformation, damage to the surface or disturb the structure of the material. 47.1 L is required to fill the column. • dimension 20 x 180 cm • dia. 20 cm • dim. 37 x 37 x 181 cm	1	10 000,00 zł	10 000,00 zł
---	--------	--------------------------	---	---	--------------	--------------
